

## Stefanie Spanagel is leaving ebm-papst Landshut

Mulfingen, Landshut, 27 July 2020

After two successful years as Managing Director of ebm-papst Landshut GmbH, a part of the ebm-papst Group headquartered in Mulfingen, Stefanie Spanagel (41) is leaving the company by mutual consent as opinions differ as to the future direction of the company.

Management, partners and Supervisory Board of ebm-papst are sorry to see Ms. Spanagel go. They wish to thank her for her dedication and commitment and wish her all the best for the future.

Until a new managing director has been found, Mr. Johannes Pfeffer, Group Director Divisions St. Georgen and Landshut, will shoulder this responsibility in Landshut and continue to develop the strategic orientation of the Bavarian site.

### Vita Stefanie Spanagel

Stefanie Spanagel, born in 1978 in Heidenheim, studied Business Management with a focus on production in Reutlingen and Paris. From 2002 to 2005, she earned her first spurs as project manager at Festo AG & Co.KG in Esslingen. From 2005 to 2015, Stefanie Spanagel held different management positions, among them Plant Manager, with the filter specialist Mann+Hummel GmbH. Before joining ebm-papst Landshut in 2018, she was Head of Operations for the international production of AMK, a supplier for the automotive industry and mechanical engineering.

### On ebm-papst

The ebm-papst Group, a family-owned business with their headquarters in Mulfingen, Baden-Württemberg, is the world market leader in fans and drives. Founded in 1963, the technological leader with its core competences motor technology, electronics and aerodynamics has set international market standards ever since. With more than 20,000 products, ebm-papst offers customized, energy-efficient, intelligent and smart solutions for almost every requirement in ventilation and drive engineering.

In fiscal year 2019/20, the “Hidden Champion” achieved a turnover of € 2.188 billion and employed almost 15,000 members of staff in 29 production sites (among them Germany, China and the USA) as well as in 48 sales locations worldwide. With their fan and drive solutions, ebm-papst sets and defines the benchmark in practically all industries, such as ventilation, air-conditioning, refrigeration, heating, automotive, information technology, mechanical engineering, catering and household appliances, and medical engineering.
